

Mtg. Hole Dim.

Internal Contact :	Fixed x 2	Cu, Ag-P
	Moving x 2	AG, Ag-P
8.	Cap	
7.	Axle	
6.	Nut	
5.	Washer	
4.	Sleeve	
3.	Terminal	
2.	Terminal	
1.	Body	

Specifications

1. Rating : AC125V 3A
2. Contact Resistance : 20mΩ or less at DC 2-4V 1A
3. Insulating Resistance: 100MΩ or more at DC 500 Megger.
4. Withstand Voltage : AC 1000V for 1 minute
5. Durability : At rated load resistance with resistance
10,000 cycles, at speed of 12 cycles per minute
No electrical/mechanical change in specifications after tes
Terminal temperature rising should be below 40degC after test
6. Operating Force : 700 gF or below
